How did you hear about us? \_\_\_\_\_

Dental insurance plans do not normally provide full coverage of your dental bill. Your dental coverage is a contract between you and your insurance company, and while we will cooperate to the fullest in expediting your claim, you are ultimately responsible for your account. **Your portion of the bill will be due at time of service.**

If your insurance has not paid within 60 days from the date from the date of service, we will look to you for prompt payment of the account. All costs for collection of the account, should collection procedures or small claims court become necessary, will be passed on to the patient and/or the responsible party.

I understand that, due to any false information, I will be subject to criminal prosecution
